

Year: Sponsor Campaign

The North Dakota Junior Red Angus Association conducts an annual sponsorship campaign to help fund state-sponsored events. This helps your marketing through additional event recognition and helps the ND juniors optimize their efforts in raising support.

Sponsor forms received by January 1st will ensure recognition beginning with the events held during the ND State Fair. Forms for the current sponsor campaign will be accepted until March 1st.

Please use the space below to confirm your commitment to sponsor this year's ND Junior Red Angus Association events. All sponsorships are tax deductible.
