Powered by Genetics...

Koester Red Angus combines over 20 years of genomic DNA testing with practical, hands-on selection to deliver bulls that perform both on paper and in the pasture. While advanced data drives our decisions, we never compromise structure, muscle and phenotype. Our bulls are built to produce efficient, high-performing cattle and long-lasting females – ensuring commercial cattlemen get results that are as reliable as they are profitable.

Proven Genetics. Reliable, Profitable Results.

ONLY the *top bulls* make the sale.

And they are backed by *decades of data* that *add value* to your pay day.

Our bulls rank in the top percentile for multiple traits. Only the best of the best are chosen for sale bulls. They are determined through a rigorous selection process, backed by actual data, ratios and a DNA-profiled cow herd.

The performance of these bulls will pay off on shipping day – the steer mates of the sale bulls top the scale each January in the sale barn.

Imagine what the top *Campbell Red Angus* bulls will do for your program!

TOUGH ON TOUGH WORMS, EASY ON CATTLE PRODUCERS.

VALCOR
(doramectin and levamisole injection)

You can achieve effective parasite control in one product, where before you may have needed two. Valcor (*doramectin and levamisole injection*) is the first prescription cattle dewormer with two active ingredients in one dose. It's never been easier to be tough. Get tough at ValcorTough.com.

IMPORTANT SAFETY INFORMATION: Do not treat cattle with Valcor within 15 days of slaughter. Not for use in female dairy cattle 20 months of age or older, including dry dairy cows; not for use in beef calves less than 2 months of age, dairy calves, and veal calves. Safety has not been evaluated in breeding bulls. Use with caution in cattle treated with cholinesterase inhibitors. This product is likely to cause injection site swelling; tissue damage (including granulomas and necrosis) may occur. These reactions have resolved without treatment. See Brief Summary of Full Prescribing Information on the next page.
